NOTE: Completion and submission of this form is not required in order to register, log into, and use the Membership Portal. This form's only purpose is to register as a Voting Member of Heart of Awareness.

I (please print first & last name), _____, wish to be a Registered Voting Member of the Heart of Awareness Buddhist Community (HoA), Ajijic, Jalisco, MX.

- A. I understand that HOA offers multiple opportunities for me to enhance my practice with other like-minded people, e.g., with mutual support and collaboration, a peaceful welcoming space, meditation, dharma instruction, dialog, and more. I understand that Registered Membership vis á vis this form is not required to enjoy these offerings. With the submission of this completed and signed form I am eligible to vote on matters that come up for a vote for the HoA Community organization.
- B. Additionally, I understand that there are various opportunities for me to practice Dana, the practice of generosity, to contribute to the health and effective operation of HoA, as I wish and am able: e.g., volunteering, serving on committees, active participation in meetings, special projects, assisting others, mindful communication with others, as well as monetarily.
- C. I understand that while monetary donations are just one way to practice Dana, HoA relies solely on voluntary monetary contributions at meetings and events, and even more so on monthly/annual pledges which make possible our opportunities for practice.
